Details

Application Features: Speciation grade undercabinet luminaire with ribbed, white acrylic diffuser. For use in indoor applications where a T5 luminaire with a small profile is required. 1/2" power connector, rocker switch and lamps are included. Available in lengths from 12.25" to 42.5".

Construction: Die formed heavy gauge steel housing. Sufficient knock-outs provided for convenience outlet, rocker switch and flexible conduit attachment.

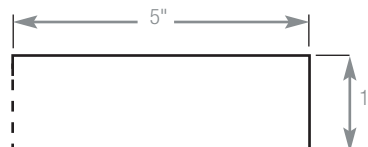

Finish: High reflective white enamel.

Electrical: Electronic ballasts are class P, thermally protected.

Approvals: Union made, UL listed, and manufactured in the US.

Mounting: Keyhole mounting slots provided on back of housing.

Optics: Ribbed, white extruded acrylic diffuser.
